

13. What resources does the school offer if my child has significant social and or communication needs?

Where necessary, resources will be available to support the learning of children who have significant social and/or communication needs.

- Nurture groups, outdoor learning environment.
- Lead Practitioner for ASD.
- A range of resources available to support pupils with ASD, speech & language, cognition & learning, physical, sensory, hearing, vision and behaviour needs.
- We will give pre- tutoring and post tutoring support for individuals and groups.
- Reasonable adjustments to environment, teaching groups and rooms.
- External agency involvement with PSS, Educational Psychology, Speech & Language therapists.
- Small group work with Learning Mentors.
- Develop sensory area within school.
- Individual work stations for pupils where needed.
- School Speech and Language Therapist (working in school fortnightly)
