

## 7. How will my child be involved in decisions about their learning?

**The school will try to involve your child in decisions about their learning.**

- Teachers will talk to your child about their targets and involve them in reviewing their progress.
- We will talk to the children about what and how they prefer to learn.
- We will involve the children in helping teachers to plan their curriculum.
- Staff and teaching assistants will record and monitor child's viewpoint and progress.
- Staff will make detailed observations of the youngest children to ensure we know them well – their interests/strengths/areas of support needed.
- Pupil voice questionnaires will be carried out with older children.
- We will use Pupil friendly review paperwork.
